92024 TURBO I

Quiet, powerful and portable. Whether used as a shop vac or as part of a dust-free sanding system, the Turbo I is perfect for the shop or the home.

92025 TURBO II

Our most popular model, the original workhorse of the line. It features more power and greater capacity.

92026 TURBO III

Has a hefty 15 gallon capacity and even more power for the big jobs. It comes with a 2¼ inch hose and doubles as an efficient workshop dust collector.
